WHERE THE MAGIC NEVER ENDS.

DISNEY VACATION CLUB

What in the world is Disney Vacation Club?

Here is an opportunity for you and your family to experience a new kind of Disney magic for years to come. It promises to be an important milestone in Disney history!

For a one-time purchase price and annual dues, you can own a real estate interest in the Disney Vacation Club at WALT DISNEY WORLD® Resort. Developed with a turn-of-the-century Florida Keys theme, it will be a special place where the entire family can relax and enjoy a fully furnished vacation home.

To meet your family's changing vacation needs, our reservation system was designed to allow flexibility in the time of year, length of stay, and type of accommodation you may choose. Of course, reservations are subject to availability.

Included with your ownership interest are many exclusive privileges — such as admission to the MAGIC KINGDOM® Park, EPCOT® Center, Disney-MGM Studios Theme Park and personalized travel planning services.

And that's just the beginning. Through our Member Getaways program, you'll have access to over 100 premium national and international resorts from the Resort Condominiums International, Inc.® (RCI) network. Member Getaways are provided for a small transaction fee through an agreement with RCI, the world's largest vacation ownership exchange company.
